PROGRAMS

*SESSIONS RUN WEEKLY
JULY 5 - JULY 29, 2022
8:30 A.M. - 12:30 P.M.*

Foundational Skills & Review

Classes focus on **Reading, Mathematics, Keyboarding, Written Expression, Writing Mechanics, and Study Skills.**

All students receive a progress report and recommendations for the school year.

Study Skills

Reading Comprehension practice uses text previewing techniques, outlining, finding main ideas, vocabulary building and note taking.

Written Expression & Writing Mechanics practice includes brainstorming, structuring, drafting and editing. Spelling practice uses strategies such as clustering and syllable study. **Mathematics** practice improves basic math skills. Learn the language of mathematics to make word problems easier. Remediation for Algebra and Geometry is also available.
